# Dene House Primary School Relationship Education Policy

## Relationships Education

This policy covers our approach to Relationships Education; a statutory component of the PSHE and Citizenship curriculum from September 2020. It aims to set out the purpose of Relationships Education and the intended outcomes for pupils, what is covered in our curriculum and how it is delivered.

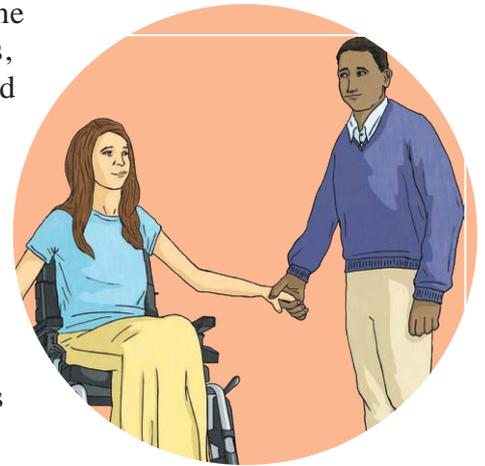

We define Relationships Education as learning about the many strands of relationships and growing up. This includes family relationships, friendships and relationships with peers and adults, healthy and unhealthy relationships, the characteristics of positive relationships, relationships online and the emotional, social and physical aspects of growing up.

## Purpose and Principles

At our school, we believe in providing every pupil with open, honest, accurate and age-appropriate lessons all about relationships. Through the school's ethos and values, we aim to develop children's knowledge, skills, opinions, strategies and confidence - enabling them to cope with life and live safely, respectfully and happily in the modern world.

We highly value the partnership between school and home and will promote open and informative two-way communication. We aim to provide parents and carers with accurate information about what their child is learning in school and to provide the best learning environment and opportunities for our children.

Our Relationships Education curriculum is inclusive and meets the needs of all children, including those with special educational needs or disabilities (SEND). We also aim to promote gender equality and represent the LGBT+ community through our Relationships curriculum and the Educate and Celebrate initiative.

Through our comprehensive Relationships Education provision, we aim to provide all pupils with:

- the knowledge and understanding of a variety of relationships;
- the ability to identify any concerns they have about a relationship;
- coping strategies and an awareness of how and where to seek support;
- an understanding of their rights and responsibilities within a range of relationships;
- an awareness of the process of growing up and the changes they and others will experience;
- an understanding of the characteristics of positive relationships.

The core areas where children will explore and develop their understanding of relationships will be through the topics of

- TEAM
- Growing Up
- VIPs
- Be Yourself

Enhanced provision of Relationships Education will be provided through Philosophy for Children activities, visits from the School Nurse, whole school assemblies, Educate and Celebrate and NSPCC visits.

## Statutory Regulations

From September 2020, all primary schools must deliver Relationships Education. Under the Education Act 2002/Academies Act 2010, all schools must provide a balanced and broadly-based curriculum which:

- promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and
- prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

Documents that inform the school's Relationships Education Policy include:

- Education Act (1996)
- Learning and Skills Act (2000)
- Education and Inspections Act (2006)
- Equality Act (2010),
- Supplementary Guidance SRE for the 21st century (2014)
- Statutory safeguarding guidance including Keeping Children Safe in Education
- Children and Social Work Act (2017)

## Roles and Responsibilities

The Relationships Education programme in our school will be led by Miss Kirsty Dodds

The school governor representative responsible for the Relationships Education programme is Mrs Ann-Marie Lee.

All staff members involved in teaching and supporting the Relationships Education curriculum will be trained and supported by Miss Kirsty Dodds.

## Our Relationships Education Curriculum – Article 17    Article 24    Article 28

Our inclusive Relationships curriculum supports the objectives set out by the PSHE Association which meet the statutory requirements for Key Stage 1 and 2. It forms a core part of our comprehensive Personal, Social and Health Education (PSHE) Citizenship and Relationship Education curriculum.

Our Relationships Scheme of Work can be viewed on our school website or and paper copies are available on request from the school office.

Learning in Relationships Education lessons will link to learning in Science, Educate and Celebrate, Rights Respecting.

Our lessons will be differentiated where appropriate, ensuring all children are able to participate fully. Children will be given the opportunity throughout the units of work to reflect on and evaluate their learning - assessment opportunities are built in to every lesson.

## Delivering the Curriculum – Article 17    Article 24    Article 28

Our PSHE lessons are taught by staff who are trained in delivering the specific content of the lessons. Ground rules will be established in class and children reminded of these. Class Charters will also be used to promote mutual respect during discussions. Special consideration will be given when teaching particularly sensitive content and staff will be fully aware of the children in their class and how they might relate to the lesson content.

We aim to create and maintain a safe environment within which all children feel able to ask questions and discuss issues openly. For any child wishing to discuss something confidential, relating to the lesson content, an opportunity will be provided. **Article 19**

Each class also has a question box, which gives children the option to write down their questions and receive an answer on a one-to-one basis, rather than in front of the whole class. Distancing techniques will be employed in our Relationships Education, as with other areas of the PSHE curriculum, meaning that children are able to discuss fictional characters and scenarios, rather than discuss their own lives and experiences. **Article 6**

In order to meet the needs of all children and to make our lessons engaging, we aim to deliver our Relationships Education curriculum through a variety of teaching methods and interactive activities, including:

- Philosophy for Children
- Discussions/Real – Life Scenarios
- Diamond Ranking
- Concrete Resources

## **Assessment, Monitoring and Reporting Article 28 Article 12**

Self-assessment is an important part of learning in Relationships Education and PSHE. Children will reflect on their learning throughout the units. We highly value pupil voice and will take into account the opinions and comments of our children about what they would like to learn.

Staff delivering the Relationships curriculum will critically reflect on their teaching and best practice will be shared through lesson observations, monitoring of planning and children's work and training opportunities.

Comments on children's learning and progress in Relationships Education, as part of their learning in PSHE, will be reported to parents and carers at parent's evenings and annually on the child's end of year report.

## **Safeguarding – Article 19**

Teachers are aware that effective RSE, which brings an understanding of what is and what is not appropriate in a relationship, can lead to a disclosure of a child protection issue. In this instance, teachers will consult with the designated safeguarding lead and in his/her absence, their deputy.

### **Safeguarding lead:**

**Mrs Debbie Turnbull**

### **Deputy Safeguarding Leads:**

**Mrs Cook**

**Mrs Watson**

**Mr Leyland**

Visitors and external agencies which support the delivery of Relationships Education will be required to adhere to the school's safeguarding policy and policies relating to the subjects they are teaching or contributing towards.

## **Engaging Stakeholders – Article 17    Article 28**

This policy will be available to view by all stakeholders on the school website or a paper copy will be available on request from the school office. Parents will be informed of this by a letter.

We are committed to working closely with parents and carers and we do this by:

- parent/carer surveys
- communication about when Relationships lessons will be taking place
- leaflets

Parents and carers have the legal right to withdraw their child from all or part of sex education taught as part of statutory Relationships Education, with the exception of the objectives included in National Curriculum science. Those considering this option are asked to speak with Mrs Debbie Turnbull in order to find out more about this.

## **Links to Other Policies                      Article 12            Article 28            Article 19**

Our Relationships Education Policy links to the following other school policies:

- Safeguarding Policy
- Behaviour Policy
- Rights Respecting Policy

## **Reviewing the Policy**

This policy will be reviewed on an annual basis by Miss Kirsty Dodds

This will ensure that information is accurate and up-to-date and that the views of all stakeholders are heard and considered regularly.
